Land for construction of 7 residential buildings

Price	1 405 140 €
Area	6 387 m ²
Location	Gorenjska, Kranj

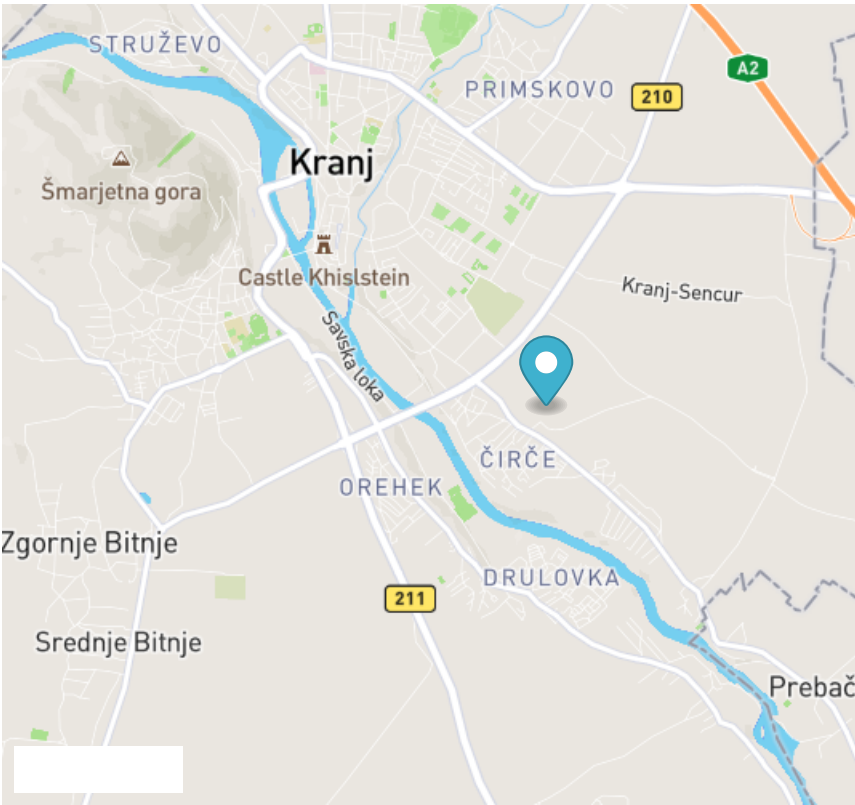

We are offering for sale a 6,387 m² building plot in Kranj.

The plot is located near the road, level, and offers magnificent mountain views. All city utilities are nearby. It is ideal for the construction of 7 three-story residential buildings (K+P+1).

Currently, amendments to the Kranj City Land Plan are being made, allowing for the construction of residential buildings on this site.

The plot is located outside the city center, but all necessary infrastructure is nearby.

Price: 220 EUR/m²
