## Premium apartment with a terrace and private atrium in the center of Portorož

Price 2 864 463 €

Area 253 m<sup>2</sup>

Location Slovenian coastline, Portorož, center

ALTUM CAPITAL presents a unique waterfront residence in the center of Portorož. Premium apartments for those seeking a waterfront location, privacy, and a prestigious location.

### Architecture and Structure of the Complex

The cascading composition along the natural slope creates spacious terraces with direct sea views. Panoramic glass walls fill the spaces with light and create a harmonious connection between the residential interior and the sea and the open air.

The residence comprises six levels and seven separate apartments with open terraces overlooking the sea and the basement.

The basement features a garage for seven cars, storage rooms, a bicycle storage room, and utility rooms.

An elevator connects all levels of the residence. Multiple entrances provide convenience and privacy. Green terraces create private outdoor areas and a natural screen from the road.

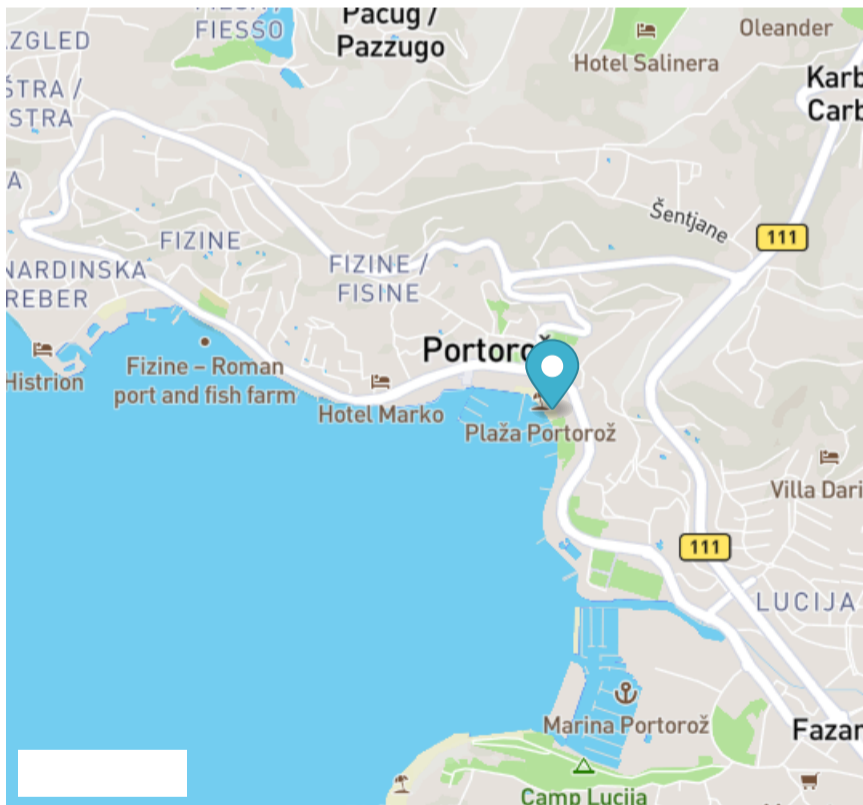

Completion date: Spring 2027.
